Brief History

Founded by Rick Davis, DAVACO began in 1990 as a retail store fixture installation company in Dallas, Texas. Formerly known as FPI or Fixture Perfect International, the company's initial success was paved by the explosive growth of Blockbuster and servicing their need to open stores every 14 hours.

Mission

DAVACO's mission is to provide high quality retail services and solutions for our customers so they can maximize brand presence and profitability at retail.

What We Do

DAVACO is the nation's leading provider of retail services, specializing in the quality management and execution of in-store merchandising, shop-in-shops, and high-volume rollouts, retrofits, resets and new stores. Our range of comprehensive services helps retailers maximize brand presence and profitability at retail.

Services

DAVACO's services include:

- Rollouts, Retrofits, Resets and Remodels
- Fixture and Graphic Installations
- Project Services
- Project Management
- Hard-Line Merchandising
- Soft-Line Merchandising
- Site and Marketing Surveys
- Logistics and Consolidation
- Design Services
- Strategic Sourcing/Procurement Management
